LUXURY LIVING AT IT'S FINEST

BRIDLEWOOD

The Bridlewood

THE BRIDLEWOOD

SUPERIOR QUALITY

The classically designed Bridlewood combines luxury and functionality to create a unique home that promises to raise the standard in design and construction. With its sophisticated design incorporating hardwood timbers, stone, contemporary brick and render, the Bridlewood features clever structural elements including a clerestory with bays of louvre windows for ample natural light and ventilation. Boasting four bedrooms and spacious living areas, the Bridlewood is practically two homes in one – with a parent's retreat, including walk-in dressing room, separated from the other three bedrooms by a resort inspired pool and accessible by the sweeping hallway. The impressive open plan kitchen will make cooking a delight and the screened indoor/

outdoor room provides an additional sanctuary in this already generous home. Featuring three well appointed bathrooms, this house is modern family living at its best. With three separate landscaped outdoor living areas, The Bridlewood continues to please even the most discerning homeowner.
