EAGLEVIEW SERIES

Eagle Homes WAY...

In 1984, a vision was borne for Eagle Homes to offer families quality homes representing the highest standards of workmanship and comfortable living.

Based in greater west Sydney, Eagle Homes have helped thousands of families over many years build their home, testament to the demand for our exceptional service and workmanship. Contemporary and open plan in design, Eagle Homes build in sought after locations from Newcastle, South Coast and the greater Sydney region.

Eagle Homes DIFFERENCE...

Unique floor plans, quality workmanship and finishes throughout each of our homes set us apart, providing families with an exceptional service and finished product.

Eagle Homes' dedication to create and build stunning, livable homes for your family's lifestyle is second to none. Known for our attention to detail, creative design ideas and quality finishes and fittings, we pride ourselves on creating homes that suit the individual lifestyle of our customers.

Eagle Homes CHOICE...

As builders of single or double storey and duplex houses, Eagle Homes has a range of designs for you to choose or have a range of options to accommodate personal touches to truly make it your home. Designs from Eagle Homes can suit all blocks, from very narrow city blocks to homestead rural properties.

Eagle Homes, an award winning builder, has display centres across NSW.
