SUPERIOR QUALITY

Designed to complement any geographical setting, The Fairview represents timeless architecture at its finest. Featuring straight lines and modern design principles, the property incorporates four generous bedrooms all with ensuites, spacious living rooms and a cleverly concealed office. Framed by glass and louvre windows, the design has an open, fresh flowing vitality to it – a feeling that is replicated in its seamless, open plan design. Contemporary and architecturally designed over two levels, this impressive home is extremely liveable and luxurious. Enjoy the summer climate from the comfort of the landscaped outdoor living area,

overlooking the enormous swimming pool. With its generous dimensions, the eco-sensitive Fairview design still retains a feel of luxury and comfort.
